Dear Friend –

We, **The YESS Institute**, envision a future where ALL students become caring and productive members of society. YESS knows that a thriving workforce and community starts with academic achievement and overall well-being of its young people.

We respectfully **invite you to join us as a Sponsor for the 2023 YESS Institute Annual Breakfast**, where your support will ensure students graduate and have the emotional intelligence skills needed to be successful and competitive as your future workforce.

Our immersive event, "The YESS-ence Experience Over Breakfast," will be held on April 20th, 2023 from 7:30-8:30am at the PPA Event Center in Denver. We are excited to showcase The YESS Academy Healthy Lifestyles Curriculum, which provides substance abuse awareness and education to youth.

The essence of YESS ('YESS-ence') is:

- Improving relationship skills
- Peer Mentoring & Leadership

COMMUNITY
